Mark Johnson
Ken Wills

Children's Missions

HELPFUL HINTS FOR WEDNESDAY NIGHTS

Choir and missions leaders spend much time each week preparing to provide enriching experiences for each child. There are a few things you can do to help us. Please read over the following and discuss them with your children.

- **Please send/take children to choir at 5:50 PM (not before).** Choir begins at **5:55 PM**. Our leaders request your cooperation so that they will have adequate time to feed their own children and prepare their rooms.
- Take/send children to the restroom before choir.
- Keep children home if they have had a fever or stomach virus in the last 24 hours. Please be reminded: if they are too sick to attend school/daycare Wednesday, they should also stay home Wednesday evening.
- The church should know where to locate you in case of an emergency.
- Be sure to pick your children up at 7:15 PM; remember that Grades 1-6 boys will be in the FLC.
- Let your children's teachers know if there have been any address or phone number changes so records can be updated.
