Please Read: Growing as a Christian is the most important thing you can bring to leading worship. Remember worship is responding to God in obedience. Being a member of the CT Band is a very big commitment. Making daily time to Be still and making sure the Lord Jesus Christ is in charge of your life is the most important thing you can do. Love God and others more each day of your life. Practice is every Sunday and Wednesday.

The band plays on Wednesdays during CROSSTRAINING and at other youth events when needed. 100% attendance is imperative for every practice and performance. If you have to miss a practice or performance, you are asked to share why and inform the CT adult leaders of your planned absence ahead of time so the band can make changes accordingly. ____
