## HELPFUL HINTS FOR WEDNESDAY NIGHTS

Music and missions leaders spend much time each week preparing to provide enriching experiences for each child. There are a few things you can do to help us. Please read over the following and discuss them with your children.

- **C-SALT begins at 5:50 pm in Room 102—Rockland Building. Please send/take children to C-SALT at 5:50 pm (not before).** Our leaders request your cooperation so that they will have adequate time to feed their own children and prepare their rooms.
- Take/send children to the restroom **before** C-SALT. Children will be lead to music and missions following the C-SALT gathering.
- **Preschoolers will go to their room at 5:50 pm and remain there until 7:00 pm.**
- Keep children home if they have had a fever or stomach virus in the last 24 hours. Please be reminded: if they are too sick to attend school/daycare Wednesday, they should also stay home Wednesday evening.
- **Please complete the enclosed pick-up form. Children should be picked up at 7 pm in their missions classroom.**
- Notify leaders if your email, address, or phone number changes so records can be updated.
