

## **Read God's Word Together...**

*To help us focus on Christ daily and to grow in faith as one church family, we will read the scriptures listed below daily in our own time with the Lord. May we make ourselves available to God throughout each day so that we may slow down and listen to Him. You can read all the scripture listed for each day or simply focus on a single passage.*

*You may already have a plan for reading scripture daily but you are invited to join your church family as we read through scripture together. Reading the same scripture can draw the people of Shades Crest closer to the Lord and to each other.*

*The scriptures below are a means to help you grow, along with a few suggestions to assist you in your journey.*
